

From: <https://www.moorcroft.com/faqs> , accessed March 31, 2020.

Moorcroft introduced year cyphers in 1990 and are symbols used to identify the year each piece was made. Copyright marks merely state the date when the design was first used. Some designs, like *Queen's Choice* by Emma Bossons FRSA, have proved popular for almost 20 years with copyright stated as 2000.

- 1990 – Arrow
- 1991 – Bell
